Subject: Prizes for the competition on the day of exhibition

Dear Jackie,

We have arranged the 'Best Photo' competition for the day of the exhibition. Judges have been invited to choose the best photos on display. I am very happy to inform you that Sun Ling Electronics in Wanchai has agreed to sponsor the competition and give the school a free digital camera for the first prize. They also have some photo frames and photo albums for the other prizes. Remember to thank them in your speech at the opening of the exhibition and mention that they have kindly donated these gifts to us.

Also, we have a photography book left over from last year which you can include in the prizes.

David

Note from Winnie to Jackie

Jackie,

I just want to confirm that this year we'll have two famous guests to give talks at the exhibition:

Christopher Doyle - a world renowned cinematographer and photographer (Do mention this in your invitation letter!)

Title: How to be a good photographer

Time: 3 pm

Peter Wong - a fashion photographer

Title: How to get your photos published

Time: 5 pm

Rising Young Photographers in Hong Kong

The Hong Kong Secondary School Photography Competition is an annual event organised by the Hong Kong Secondary Schools Association. Its aim is to foster young talent in Hong Kong in the field of photography. This year there were more than 100 contestants from over 50 local secondary schools. The theme was 'Natural Beauty' and a panel of judges selected one winning photo and commended three others from among the 105 photos submitted by students.

The variety and uniqueness of the photos reflect the many talents of young people in Hong Kong, the natural beauty of Hong Kong, which is often forgotten by urban dwellers, as well as the wide range of students' specialisations – from wildlife to natural landscape.

The winner of the 2007 Photography Competition is Flora Ma from Kowloon College. Her prize is a 3-week summer course at Kingston Photography School in London, England. Her photograph is entitled 'Beauty and the Peace', and, according to her, 'captures the last frontier of Hong Kong in the face of urban encroachment'. 'This picture was taken on a trip to Tai Mo Shan Country Park. I like hiking a lot as I feel relaxed when I am in the countryside and see the spectacular landscape in Hong Kong,' said Flora at the prize-giving ceremony.

Works of three other students: Mark Lo (Lantau Middle School), David Ng (Kowloon College) and Joyce Wu (Wan Chai Secondary School) were highly commended. Each of them received a trophy and a cash coupon of \$500.

The photos are currently on display on the first floor of the Convention and Exhibition Centre in Wan Chai in celebration of International Education Week.

The Hong Kong Secondary Schools Association is inviting entries for the 2008 Hong Kong Secondary School Photography Competition. The theme is 'Young People in Hong Kong'. The maximum size of the photograph is 30 cm x 30 cm. The deadline will be 1 February 2008. The first prize will be a 3-week summer photography course at Burswood Photography College in Western Australia.

For details, please refer to the website of the Association www.hkssa.edu.hk/2008. Application forms can be downloaded from www.hkssa.edu.hk/2008/form.
