#### Situation

You are Andy Lim, a Secondary 5 student in a local secondary school.

You are the President of a newly-formed club called The Brain Power Club, and have been asked to lead a number of projects aimed at raising awareness of new and different ways of learning.

You have five tasks to complete. In order to do this, you need to follow the instructions in the Question-Answer Book and on the recording. You will find all of the information you need in the Question-Answer Book, the Data File and the recording.

You will now have two minutes to study the Question-Answer Book in order to familiarise yourself with the situations in Tasks 1 and 2 before the recording begins.

Later, you will have four minutes to read Tasks 3, 4 and 5 and study the Data File before you do the tasks.

#### Task 2 (14 marks)

Your school has asked you to redesign a large multi-purpose room (MPR) so that it becomes a better learning environment for the students. You are discussing this task with your classmate, Tess. Listen to the conversation and complete the floor plan of the room below.

You now have 30 seconds to study the floor plan.

Answers written in the margins will not be marked.

#### Task 3 (20 marks)

You are designing a questionnaire to gather information and views about effective learning. You have already submitted a first draft to your teacher, Ms. Young. However, she has sent it back with a number of suggestions for improvement. You are not clear about all of the points and you have gone back to Ms. Young to ask questions. Listen to the conversation and refer to the first draft of your questionnaire with Ms. Young's comments on page 2 of the Data File. As you listen, make notes on the first draft so that later you can write the revised questionnaire in the space below. Use a pen for this task.

## Task 4 (22 marks)

As part of your effort to promote The Brain Power Club, you are designing a leaflet to give students tips on what they can do to use their brains more and make them stronger. Complete the leaflet, using information from pages 3, 6 and 7 of the Data File and the notes you have taken on page 4 of the Data File. Use a pen for this task.
