Situation

You are Isabella Chan, a secondary student in Form 5C at St. John's Secondary School. You are the president of a newly-formed club called The Green School Club, and have been asked to lead a number of projects aimed at raising awareness of green issues in school and to make recommendations about how the school can become more green-conscious.

You have six tasks to complete. In order to do this, you need to follow the instructions in the Question-Answer Book and on the recording. You will find all of the information you need in the Question-Answer Book, the Data File and the recording.

You will now have two minutes to study the Question-Answer Book in order to familiarise yourself with the situations in Tasks 1, 2 and 3 before the recording begins.

Later, you will have four minutes to read Tasks 4, 5 and 6 and study the Data File before you do the tasks.

Please stick the barcode label here.

Task 1 (8 marks)

Your school wants to reduce its electricity bills next year, and you have been asked by the Students' Union (SU) and your teacher to find information about how the school can save money by buying energy efficient light bulbs. You are working with Freddie, who has printed a webpage which contains some of the information you need. Listen to the conversation between Freddie and yourself and complete the table below.

You now have 30 seconds to study the webpage and the table below.

Task 2 (9 marks)

You are doing some research with a classmate, Freddie, on your class project. You have now entered a website called The Earth Energy Project, which provides news about using the Earth's renewable energy. The website also allows you to send e-cards to people to remind them to be more green-conscious. As it is Energy-Saving Week at school, you have decided to send an e-card. Listen to the conversation and complete the e-card.

You now have 20 seconds to study the e-card below.

Task 3 (15 marks)

Your school is holding a photo competition to raise awareness about environmental damage in Hong Kong. The entries have all been submitted and you have invited Dr. Cameron Poon, an expert in this field, to be the judge. As the school representative, you are now assisting Dr. Poon as he does the judging. Listen to the conversation. Write the missing captions in the blank boxes. Complete the layout plan and the winners' list. Write the letters of the photographs in the correct boxes. Some have been done for you as examples.

You have 30 seconds to study the questions and the photos below.

Task 4 (21 marks)

You are doing some research on things that the school can do to help save energy and you have decided to create a PowerPoint presentation. You have already submitted a draft to your teacher, Ms Tong. Listen to the conversation and refer to your first draft and notesheet for the PowerPoint presentation on pages 2 and 3 of your Data File. As you listen, make notes on your draft and notesheet so that later you can write up the revised PowerPoint presentation in the spaces below.
